INTRODUCTION

1. The Local Authority is required to determine the 'relevant area' for admissions. The relevant area will be the area covered by the Rochdale Borough.
2. Schools are reminded that in all cases, places will be allocated in line with this policy. For within year admissions, where a year group is not up to the Planned Admission Number (PAN), pupils will be admitted.
3. Every attempt will be made to meet parents' first preferences. Where that is not possible, a place will be allocated at the highest ranked school possible.

CHILDREN WITH STATEMENTS OF SPECIAL EDUCATIONAL NEEDS or EDUCATION HEALTH and CARE PLAN

4. Where pupils have a Statement of Special Educational Needs or an Education, Health and Care Plan that names a specific school, the Local Authority has a statutory duty to admit those pupils. This means that children with such a Statement or Plan will be allocated a place before any other places are allocated.

CRITERIA FOR THE ALLOCATION OF PLACES

5. The policy of Rochdale Local Authority is to admit pupils, on demand, up to a school's Published Admission Number. Where there are more applications for a school than there are places available, places will be allocated giving priority to pupils in the following order:

(i) **Children in care to a Local Authority (Looked After Children):**

Children who are in public care ("Looked After" children as defined by section 22(1) of the Children Act 1989), or children who were previously looked after but ceased to be so because they became adopted or became subject to a residence or special guardianship order.

(ii) **Children with exceptional medical needs or exceptional welfare considerations which are directly relevant to the school concerned:**

Exceptional medical needs must be supported at the time of application by a letter from a GP, hospital consultant or other medical professional indicating how a pupil's medical condition relates to the school preference. On receipt of the medical certificates/letters the case will be referred to the Service Director for consideration. You should note that providing evidence does not automatically mean that a place will be allocated under this priority.

Exceptional welfare considerations (such as children at risk) must be supported at the time of the application by a letter from a supporting agency (e.g. Social Worker, Family Support Worker, Education Welfare Officer) indicating how the circumstances relate to the school preference. On receipt of such a letter and evidence the case will be referred to the Service Director for consideration. You should note that providing evidence does not automatically mean that a place will be allocated under this priority.

This criterion will consider issues relevant to the child and/or the family in line with the Equalities Act 2010. If exceptional medical or exceptional welfare grounds are claimed after the allocation procedure has been completed, it might not be possible to allocate a place under this priority.

(iii) **Children with an older sibling attending the school at the time of admission.**

A sibling is defined as a brother or sister, step-brother or step-sister, and half-brother or half-sister. A sibling must be living at the same address and not be a cousin or other relative. You may only claim this priority if your child has an older sibling who will be in attendance at the school in September 2016.

(iv) For Voluntary Controlled schools only- evidence of Church affiliation for children who have strong Church connections:

In the case of Voluntary Controlled C of E Primary schools, priority can be claimed on religious grounds if evidence is provided to show that the family and the child are active worshipping members at the church to which the school is affiliated. Active worshipping members of the church will be those who worship at least once a month over a period of a year prior to the closing date for applications. This should be in the form of a supporting letter from the Minister of the parent's church submitted at the time of the application.

Note: Should the number of children falling into the first three categories above exceed the Published Admission Number, Category (vi) will be used as a tie-breaker.

(v) Children eligible for the service premium.

Children eligible for admission under this priority are those where:

** one of their parents is serving in the regular armed forces;*

** one of their parents served in the regular armed forces in the last 3 years;*

** one of their parents died while serving in the armed forces and the pupil is in receipt of a pension under the Armed Forces Compensation Scheme (AFCS) and the War Pensions Scheme (WPS).*

(vi) Proximity and ease of Access - where you live.

Once places have been allocated using criteria (i), (ii), (iii), (iv) and (v), any remaining places are allocated on the basis of relative proximity and ease of access to the school but also other schools nearby.

Distance will be determined by measuring the shortest, suitable walking distance to the preferred school and deducting the shortest suitable walking distance to the nearest or next nearest alternative school. This figure will give the difference in distance that one child would have to travel compared to another, and so establish a priority ranking. This will mean that those living furthest from an alternative school will have priority for their nearest school. The nearest/next nearest school will include all community, voluntary controlled, foundation and academy schools whether in the Borough or not.

In the event of a tie break situation, priority will be given to the child who has the longer journey to the nearest/next nearest school. If after this it is still not possible to decide on who should be offered the place then any final place will be decided by the drawing of lots.

*It should be noted that in looking at ease of access bus routes are not used. Nationally, the suitable walking distance for primary age children up to 8 is up to 2 miles and for children over 8 it is up to 3 miles, with the assumption that the journey can be undertaken on foot, **accompanied as necessary**. Walking routes are deemed to be along recognised lit, paved routes which, in general, are overlooked by houses and as such are likely to be relatively safe to walk. Unlit, unmade-up shortcuts are not taken into account in calculating walking distances, even if they are public rights of way.*

Walking distances are measured using a computerised mapping system which uses the Ordnance Survey integrated network to measure from the centre point of the child's home to the main gate of the school applied to, and to the nearest/next nearest school. In the event of a tie-break within a block of flats, those living furthest from the communal entrance will be given priority.

6. **Allocation of places to Twins**

Where a single place remains at a school and the application being considered is for twins or children from multiple births or same year group siblings the Local Authority will allocate above the Published Admission Number to accommodate each child.

7. **Deferred entry to school**

All children are entitled to a full-time place in the September following their fourth birthday. Parents can defer the date their child is admitted to school until later in the school year, but not beyond the point at which they reach compulsory school age, or for children born between 1st April and 31st August, not beyond the beginning of the final term of the school year for which the offer is made. Where parents wish, children may attend part-time until later in the school year, but not beyond the point at which they reach compulsory school age.

8. **Admission of children outside their normal age group and admission of summer born children**

In some special cases, parents can request that their child is placed outside their normal age group, such as if the child is gifted or talented or has experienced problems such as ill-health. In addition parents of a child born between 1st April and 31st August choose not to send their child to school until September following their fifth birthday and they may request that they are admitted out of their normal age group- that is to Reception rather than Year 1. ***The Local Authority will take decisions on any such requests on the circumstances of each case.*** This will include taking account of the parent's views, information about the child's academic, social and emotional development and whether they have previously been educated outside their normal age group. The Local Authority will take into account the views of the headteacher of the school concerned. The request must be in writing to the Local Authority submitted ***at the time of the application for a school place accompanied by supporting evidence.*** It is the responsibility of an individual admission authority to reach a decision as to whether the request will be complied with.

9. **Children of UK Service Personnel**

Families of UK service personnel are subject to frequent movement within the UK and from abroad, often at relatively short notice. A school place can be allocated in advance of the confirmed posting, even if there is uncertainty about the exact future address. Infant age children admitted outside the normal on round are excepted pupils under the infant class size regulations.

For the children of armed forces families and crown servants returning to the UK or the Rochdale Metropolitan Borough at the end of their service, a school place can be allocated in advance of their return, even if there is uncertainty about the exact future address and the child is not yet in the UK. The place can be held open until the family arrive in the UK or return to the area, and usually until the start of the following term, but could be longer in particular circumstances.

Introduction

1. Rochdale Local Authority continues to operate a co-ordinated admissions scheme. The scheme requires that all parents living in the Borough apply for a place at a maintained school either inside or outside the Borough on a common application form to Rochdale Local Authority. Independent Schools are not included in the co-ordinated scheme.
2. Rochdale Local Authority, as the admissions authority for community and voluntary controlled primary schools in Rochdale, will be responsible for determining who is allocated a place at these schools in accordance with the Local Authority's published admissions policy.
3. For Academies, Foundation and Voluntary Aided schools, the Governing Body of the school is the admissions authority and as such will be responsible for determining the allocation of places at the school in accordance with its published admission policy. Where a school converts to academy status before **September 2016**, the existing published admission criteria for such schools will continue to apply.
4. For schools maintained by neighbouring Local Authorities, (Bury, Calderdale, Lancashire, Manchester and Oldham), the relevant admissions authority i.e. the Local Authority or the school's Governing Body will be responsible for determining who is allocated a place.

Application Process

5. The parents/carers of all pupils resident in the Borough will be requested to apply for a maintained primary school place to Rochdale Local Authority, their home authority. **Parents are recommended to apply on-line as soon as possible from 1st September**. Applications can also be made by paper application form, obtainable from the Local Authority.
6. All parents/carers will be requested to state up to three preferences on a standard Common Application Form. Most Voluntary Aided Schools require supplementary information to that contained on the Common Application Form. In such cases the Governing Body will request this information. Parents will be able to state reasons for their preferences.
7. Rochdale residents should **complete the on-line form** or return the completed Common Application Form to Rochdale Local Authority or their current Rochdale Local Authority primary school no later than **15th January 2016**. If schools receive forms by mistake they should inform the maintaining Local Authority in order to ensure that the Local Authority receives a completed Common Application Form.
8. A copy of the information booklet and Common Application Form will be made available on Rochdale's web site by **1st September 2015**. An admission pack, including a "Starting School" information booklet and the common application form, will be available from the Local Authority on request.

9. All preferences for Rochdale Local Authority maintained community and voluntary controlled primary schools will be treated equally and where possible parents/carers will be offered their highest ranked preference. Parents/Carers who want to express a preference for a Voluntary Aided, Foundation school or Academy, or a school maintained by another authority, will be advised on the council website and in the Starting School booklet to check the ranking policy with the appropriate school or local authority.

Processing Applications

10. Rochdale Local Authority will notify other LAs of preferences for their schools by Friday **29th January 2016**. The relevant admission authority will be responsible for determining who is offered a place.

11. Rochdale Local Authority will notify Voluntary Aided, Foundation schools and Academies within the Rochdale Local Authority area by **12th February 2016**. The governing bodies of those schools are responsible for determining who is offered a place.

12. The governing bodies of Voluntary Aided, Foundation schools and Academies within the borough will rank all applications in priority order, including those who cannot be offered a place initially, on their decisions list which will be returned to the LA by **4th March 2016**.

13. Rochdale Local Authority will be responsible for determining who is offered a place at community and voluntary controlled schools in accordance with the published criteria. The LA will inform other local authorities of offers to be made to pupils resident within their boundaries and request offers they will be making to Rochdale residents by **18th March 2016**.

Determining Offers

14. If more than one school place can be offered by any admission authority, a single offer will be made for the school that the parent/carer has ranked the highest. If a parent/carer has ranked a preference for a school in another Local Authority higher than a school in Rochdale and Rochdale is informed by that Local Authority that it is in a position to offer a place, Rochdale Local Authority will not offer a place at a school in Rochdale.

15. If Rochdale Local Authority is unable to offer a place to any Rochdale resident a preference stated on the form and is informed that no other admission authority is able to offer a place at the parent's/carer's preferred school, Rochdale Local Authority will inform the parent/carer in writing. In this letter the parent/carer will be offered a place at the closest community or voluntary controlled school to their home address that has places available. The parent/carer will also be notified of their right of appeal for schools that are oversubscribed.

Notifying Parents/Carers of Decisions

16. Rochdale Local Authority will notify Rochdale residents by second class post of places that can be offered at all maintained Rochdale schools on **16th April 2016**. **Online applicants will be sent an email on the same day.**

17. Parents/carers are requested to accept or decline the place offered on the reply slip provided no later than **29th April 2016**.

18. Rochdale Local Authority has also agreed with the following local authorities that it will send to the parents/carers of pupils who reside in Rochdale notification of offers of places that can be made to schools maintained by them on their behalf on **16th April 2016:- Bury, Manchester, Oldham, Calderdale and Lancashire.**

Late Applications

19.Applications received after the closing date of **15th January 2016** will be treated as late applications. The Local Authority will only accept applications received after the deadline if there is a genuine and good reason for doing so. This would include situations where pupils move into Rochdale after **15th January 2016** and before offers of places are made.

20.Late applications made without a genuine and good reason (for example parent/carer forgetting to send it in time) may be considered after the notification date of **16th April 2016**. Parents/carers who apply late may, therefore, miss out on their preferred school.

21.Applications for Voluntary Aided, Foundation schools and Academies in Rochdale and for schools maintained by other Local Authorities received after the closing date of **15th January 2016** will be passed to the appropriate admission authority with a note indicating that they are late applications. It will be for that admission authority to decide how it wishes to process the application.

Waiting Lists

22. Rochdale Local Authority will operate a waiting list for Rochdale Community and Voluntary Controlled schools, which are oversubscribed in accordance with the Local Authority's admission policy for the Autumn Term only. The Local Authority will only offer places, should any become available, in accordance with the authority's admission policy.

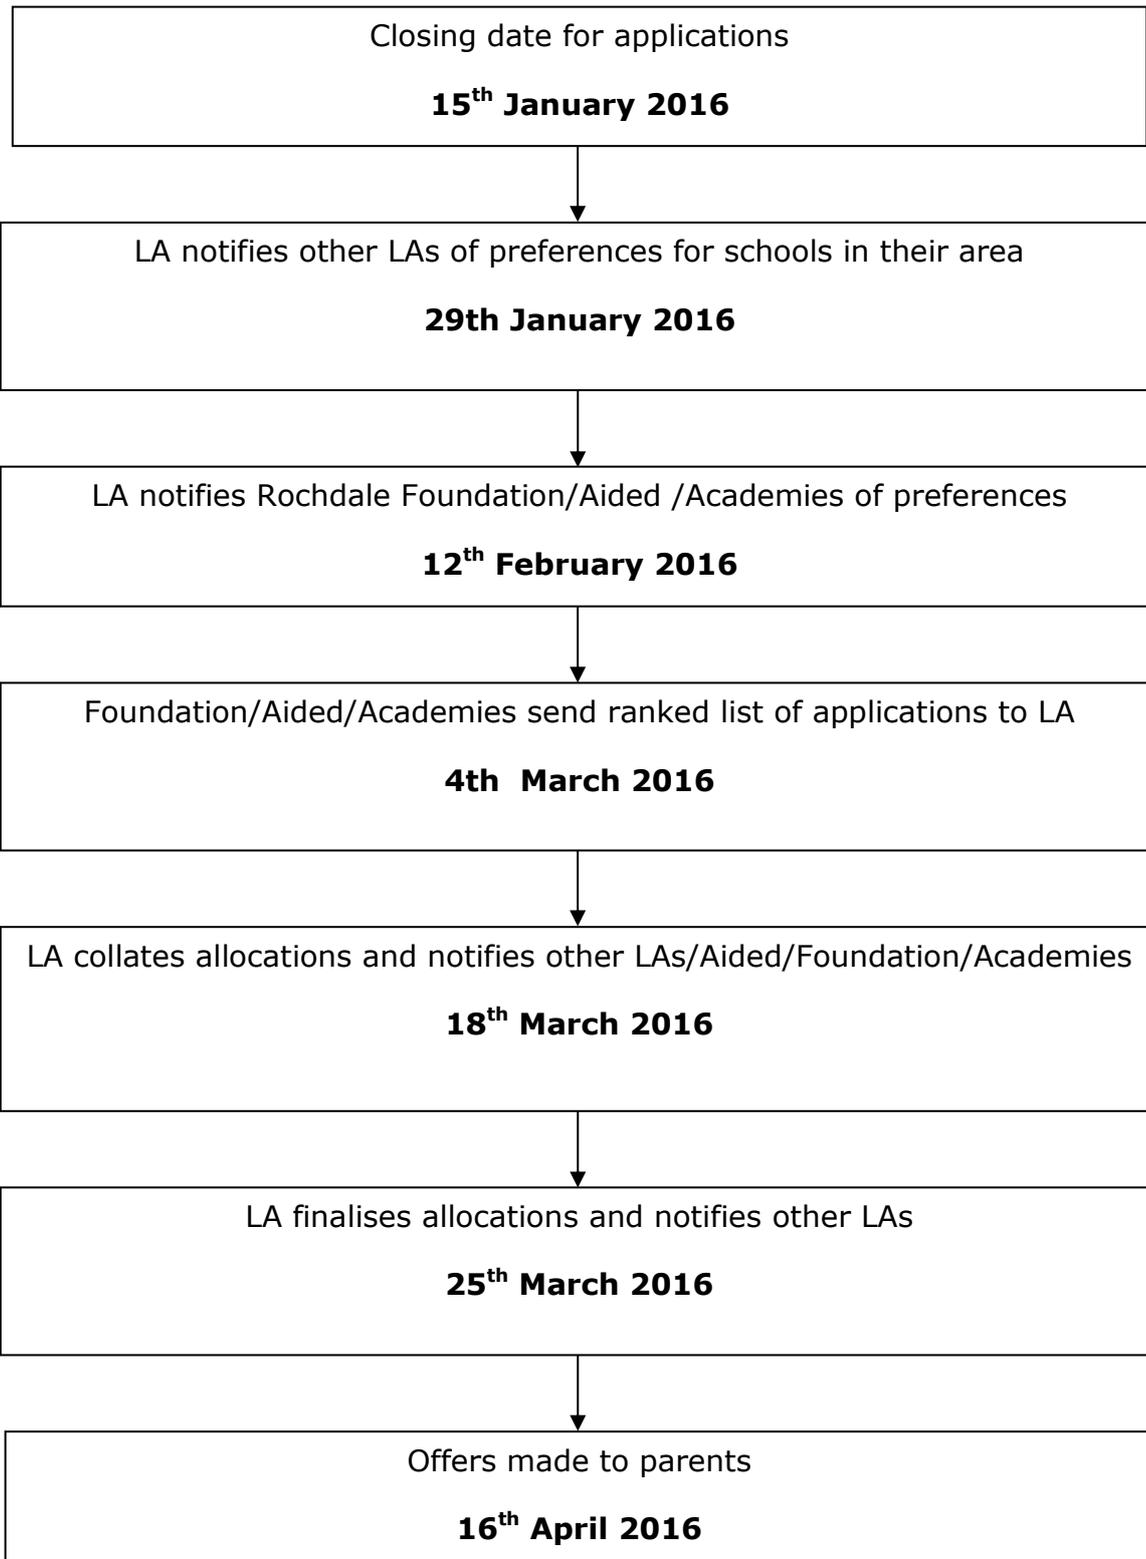

23. Parents/carers should check the admission policies for Voluntary Aided, Foundation schools and Academies and schools in other Local Authorities in order to determine whether or not they operate waiting lists.

Changing primary schools (In year admissions)

24. If a parent/carer residing in the Rochdale Borough wants to move their child to another primary school other than at the normal transfer age, they need to complete a transfer form and submit it to the Admission Authority for the school in accordance with the Local Authority's published Within-Year Transfer Policy.

ADMISSION ARRANGEMENTS FOR WITHIN YEAR TRANSFER AND APPLICATIONS OUTSIDE THE NORMAL ADMISSIONS ROUND SEPTEMBER 2016-17	APPENDIX FOUR
---	----------------------

INTRODUCTION

1. In accordance with the School Admissions Code 2014, where a pupil applies for a place outside the normal admissions round, whether in-year or at the start of a school year which isn't the normal point of entry to the school (i.e. Reception or Year 7), admission authorities **must** comply with the parental preference unless one of the statutory reasons for refusing admission applies (i.e. the Year Group is full or the child has been permanently excluded from two or more schools). All applications **must** be considered without delay and a formal decision either to offer or to refuse a place **must** be made and notified to the applicant. Applicants **must not** be refused the opportunity to make an application, or told that they can only be placed on a waiting list rather than make a formal application.

TRANSFER/APPLICATION FORM

2. Applications for a school place outside of the normal transfer time must be made on Rochdale's standard Within-Year Transfer Form. This form can be obtained from the Local Authority or its website, or the current school (if in Borough). Parents must ensure that the form is completed in full and submitted with any supplementary information. If in doubt parents should contact the Local Authority.

FAIR ACCESS

3. A Fair Access Protocol is in place to consider children who are without a school/academy place who meet the criteria. This is in accordance with the School Admissions Code. This applies to both primary and secondary schools.
4. If, in the Admission Authority's opinion, there is a **statutory reason** to refuse entry or a child meets the criteria in the **Fair Access Protocol (Hard to Place)**, the application will be dealt with in accordance with the Fair Access Protocol. The operation of the Fair Access Protocols is outside the arrangements of co-ordination and is triggered when a parent of an eligible child has not secured a place under in-year transfer procedures.
5. Admission authorities (see School Admissions Code 2.9) **must not** refuse to admit a child solely because:
 - a) they have applied later than other applicants;
 - b) they are not of the faith of the school in the case of faith schools;
 - c) they followed a different curriculum at their previous school; and
 - d) information has not been received from their previous school.
6. It is essential that children who have no school place are found one quickly. However in cases involving within-year transfers that do not require a house move, or where there is no need for an immediate transfer, the change of school will not normally be until the beginning of the next half term.

INTERVIEWS

7. The School Admissions Code, paragraph 1.9(m) prohibits the interviewing of parents and/or children as a method for deciding whether a child is to be offered a place at a school. Interviews **must not** form part of the admissions process and admission authorities (or schools) **must not** use either face-to-face interviews or interviews by telephone or by other means.

CHILDREN WITH CHALLENGING BEHAVIOUR

8. Admission authorities (and schools) **must not** refuse to admit children on the basis of their behaviour elsewhere, unless they have been permanently excluded from two or more schools within the past two years. They also **must not** refuse to admit a child thought to be potentially disruptive, or to exhibit challenging behaviour.
9. Where a governing body does not wish to admit a child with challenging behaviour outside the normal admission round, even though places are available, it **must** refer the case to the local authority for action under the Fair Access Protocol. This will normally only be appropriate where a school has a particularly high proportion of children with challenging behaviour or previously excluded children, subject to the provisions of the Fair Access Protocol.

APPLYING FOR SCHOOL PLACES

10. **All** applications for school places must be made on Rochdale's Within-Year Transfer Application Form, regardless of which school they are applying for.
11. Application forms will be available from all Customer Contact Centres, schools, the Admissions Team in the School Organisation and Development Team and on Rochdale MBC's web site www.rochdale.gov.uk and parents can make up to three school preferences either for a school in the Rochdale Borough (not including independent schools).
12. A pupil does not become resident in Rochdale until they actually live in Rochdale. Rochdale will however accept within-year applications from parents who are intending to move into the area when they can provide evidence of an exchange of contracts on a property or have a signed rental/lease agreement provided this is no more than 30 days before the intended start date. Children must be in the UK before an application can be considered. **The exception** to this is in relation to the children of armed forces personnel or crown servants, whereby a school place can be allocated in advance of a confirmed posting, even if there is uncertainty about the exact future address.
13. If additional information is required by the governing body of a Foundation, Voluntary Aided school or academy in order to apply its oversubscription criteria, parents may need to provide additional information usually on a supplementary form. Such information must be provided at the time of application because applications cannot be considered until such information has been received.
14. For ***Primary School places*** at Community and Voluntary Controlled schools, parents are required to return the completed form to the Local Authority. Applications for places at Voluntary Aided, Foundation and Academy Schools must be sent directly to the school.

17. The Local Authority will aim to process applications within **10 school days** of receipt (subject to relevant background information being available and address verification being available).
18. Where there are more applications received than places available at a school the Local Authority will use the published oversubscription criteria to allocate the place(s) available (details of the oversubscription criteria for each admission authority in Rochdale can be found in the admission booklet published by the LA each year).
19. If the Local Authority is unable to meet the preference requested by the parents, a place will be allocated at the school nearest to the child's home address that has a place available.
20. The Local Authority will inform parents in writing of the outcome of their application, and of their right to appeal to an independent appeals panel if their preference is not met.

PROCESSING APPLICATIONS- VOLUNTARY AIDED, FOUNDATION SCHOOLS & ACADEMIES

21. Schools who are their own admission authority **must, on receipt of an in-year application, notify the local authority** of both the application and its outcome, to allow the local authority to keep up to date figures on the availability of places in the area. The admission authority must also inform the parent of their right to appeal against the refusal of a place.
22. Schools who are their own admission authorities should consider all applications without unnecessary delay. The school should admit the child if there is a vacancy within the admission number for the year group. If there are more applications than places available, the governing body must apply their oversubscription criteria.
23. Decisions to refuse admission cannot be made by an individual on behalf of an Admission authority i.e. Headteacher of a Foundation school, voluntary aided school or an Academy. The decision must be taken by a committee of the Governing Body comprising at least 3 governors.
