

# Year 5

### Autumn

Miss Parker-Smith 5S

Miss Considine- 5C

Mrs Murray-5P

## WAS ROME BUILT IN A DAY?

### Maths

*We will revisit place value, and move on to 100,000 then go on to calculating and arithmetic. We will consolidate our timestables. We should now know them all! Up to 12 x 12!*

### Writing

*We are very excited to be studying the text 'Aquila' this half term. Alongside a wide range of text types, we will be mainly working on instructions, newspaper reports and narrative description writing. We will be introducing different Alan Peat sentence types.*

### Reading

*We will continue to develop our comprehension skills with a focus on using evidence from the text to support our ideas. Remember to read every night for 10 minutes recording in reading record. There will be prizes for 'Raving Readers'*

### Science

*This term we will be covering 'Forces' including gravity, air resistance, water resistance and friction 'improving our investigation skills by focussing on what makes a fair test.*

### Computing

*We will be looking at how to stay safe online and research and presentation skills to support topic learning.*

### Creative Curriculum

*Our new topic is learning all about the Romans. We will be able to locate the Roman empire on a map and look at famous historical artefacts and ruins left behind by the Romans. We will study the ancient Roman way of life and discover what made the Roman Empire so influential. We will consider the use of reliable historical resources in helping us understand this era of history. We will also be developing our drawing skills using a range a drawing tools.*

### Music

*In Music we will be keyboards, reading notation and singing.*

### PE

*Our Autumn term will see us developing our Hockey skills and building on our teamwork skills.*

### RE

*In RE we will continue studying the values in Judaism and the Birth of Christ.*

### PSHCE

*We will be building our understanding of physical health and wellbeing in the media, identify, sociality and equality.*

### MFL

*In French we will be learning about the use of greetings and numbers 11-20 as well as responding to our family about days of the week, moths and age.*
