

# Year 6

Sandbrook Primary

Autumn

Mrs Cassell - Class 6P

Mr Cherryholme - Class 6S

## WHAT TIME IS IT THERE?

### Maths

*This term we will revisit a variety of topics such as place value, calculation, fractions, decimals and percentages. In Year 6, we will also be developing problem solving and reasoning skills while ensuring mental maths skills continue to improve.*

### Writing

*We are very excited to be able to use a variety of exciting texts and prompts to help the children to develop a love of writing for different genres.*

### Reading

*We will continue to develop our reading and comprehension skills through our daily guided reading sessions and will need your continued support with daily reading at home. We will also have parent reading sessions more details of this will follow.*

### Science

*This term we will be covering 'All living things' and 'Light' and improving our investigation skills by focussing on what makes a fair test.*

### Computing

*We will continue our previous work on the importance of E safety, understanding how to stay safe both in school and at home while using technology.*

### Creative Curriculum

*Our new topic is learning all about **What time is it there?** We will be using cross curricular links to study the similarities and differences between UK and America this will include studying climate, population, biomes as well as developing an understanding of different time zones, longitude, latitude and the equator.*

### Music

*In Music we will be continuing our skills using Keyboards while also developing listening skills and understanding the History of Music.*

### PE

*Our Autumn term we will be developing skills that we will then develop through Invasion games and net/wall games.*

### RE

*In RE we will continue studying the Christian faith. We will be understanding how Christians use the Bible as a source of inspiration.*

### PSHCE

*Our focus throughout Year 6, will be to develop problem solving, understanding ours and others emotions, resilience skills and keeping minds healthy.*

### MFL

*In French, we will be learning vocabulary related to travel, which continues from last years work.*
