

# Year 1

Sandbrook Primary School

**Autumn**

Mrs Weems- Class 1S

Mrs Eyres - Class 1C

Mr Shanks- Class 1P

## CHANGES ALL AROUND US

### Maths

*The children will be learning to read and write numbers to 100. We will also be developing our mental maths skills in addition and subtraction; you can help your child by practising their mad minute sheets and looking at their weekly score..*

### Writing

*This terms focus is on the Kipper books. We will look at recounts of our favourite stories and create actions to help us remember them. We will also be focusing on writing sentences with full stops, capital letters and finger spaces. Please make sure your child can write their full name., as this helps tremendously within lessons.*

### Reading

*We will continue to develop our comprehension skills with a focus on using evidence from the text to support our ideas. Try this at home too!*

### Science

*Our topic this half term is Materials. We will be focussing on everyday materials allowing us to identify and distinguish the groups which they come from. We will also look at the physical properties of the materials and draw comparisons between different groups of everyday items.*

### Computing

*We will be using the Beebots and apps on the I pads that develop the children's ability to programme something in order to make it move. Next half term we will be using the internet.*

### Creative Curriculum

*We will be looking at making and designing robots in different materials eg. Junk modelling, playdough and clay. We will be designing and creating our own toys, ending with a teddy bear and toy picnic. After half term we will be learning about the Great Fire of London, where we will be creating our own junk model town and bake some delicious treats.*

### Music

*The children are taking part in the 'Big Sing' where they will be practicing singing with expression. They will also be looking at rhythm and pulse.*

### PE

*The children will be practising basic game-playing skills including throwing and rolling. Next half term they will be doing gymnastics.*

### RE

*This term's topic is Christianity and we will be focusing on why the Bible and Jesus are special.*

### PSHE

*We will be learning about sun safety, food associated with different cultures, and playground games from around the world.*

### Phonics

*We will be learning new words, recapping set 1 and 2 sounds and developing our writing through these daily phonics sessions in preparation for the phonics screening test later this year.*
