

# *Fabulous File*

*Fabulous file assemblies celebrate the efforts of our outstanding pupils for whole of the half term. Winners are nominated by their classmates, which make the awards extra special, they receive a certificate and a small gift and also have their pictures taken with their Parents who are invited to attend the special awards assembly. If Parents are unable to attend Mrs Charlton steps in and has a picture taken with the winners. A File is kept in the reception area with pictures of winners past and present.*

*We also have 'subject specific' awards where one pupil from each class is nominated by the 'subject leader' and they also receive a certificate for demonstrating outstanding effort in the chosen subject as well as being invited on a special day trip alongside fellow winners.*

*Well done to all our 'Fabulous' winners – keep up the good work and continue to be outstanding.*
