

# Cash boost for furry friends

THE school pets at Sandbrook Community Primary have been given a helping hand by a housing developer.

Taylor Wimpey, which is building the neighbouring Pennine Gate development, has donated £300 to the school's Pets Corner.

Reception teacher Catherine Weems said: "Taylor Wimpey's donation will enable us to continue with this exciting and incredibly successful initiative, which is thoroughly enjoyed by both staff and pupils. We would like to thank Taylor Wimpey for this support once again on behalf of the whole school."
