Dear Parent/Carer,

During the course of the year and as part of the National Curriculum work your son/daughter will be given the opportunity to participate in events or lessons within the school locality but not always on the school site, for example, visiting the library or representing the school at sport.

The school is seeking to gain your consent for us to operate a single permission letter to cover these events. It goes without saying that you will ALWAYS be informed of such events before they take place.

The single letter of consent will cut down on the paper work and allow the school to concentrate more carefully on the success of your child's experiences and quality of their work. Where school visits range further afield or are deemed to be longer or exceed the locality boundary, we will always inform you and seek further authority from you as a parent or carer.

Please can you complete the attached slip below and return it to school.

Yours Sincerely,

Katie Charlton
Headteacher

I the Parent/Carer ofClass.....
