

Geography

- Use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features of its surrounding environment

English - Instructions

- Jack and the Beanstalk

Year 1 Spring 1

Growth and green fingers

WOW!

Beanstalk in the classroom

Computing

*Safer internet day

- Use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies

Design and Technology - Make

- Select from and use a range of tools and equipment to perform practical tasks [for example cutting, shaping joining and finishing]
- Select from and use a wide range of materials and components, including construction materials, textiles and ingredients, according to their characteristics

Maths - measurement

(*measuring beanstalks)

Science

Pupils should be taught to:

- Identify and name a variety of common wild and garden plants, including deciduous and evergreen trees
- Identify and describe the basic structure of a variety of common flowering plants, including trees

Working scientifically:

- Observing closely, using simple equipment
- Performing simple tests (*best environment to grow plants/beans)
- Identifying and classifying
