Dear Parents and Carers

At Sandbrook Primary School we have a variety of animals including rabbits, guinea pigs, chickens, hamsters, rats and fish. Throughout the year, your child may come into contact with them. Although most of the animals live outside, occasionally we will have the animals in the classrooms. Please could you complete and return the slip below to give permission for your child to handle the animals. If you have any concerns or questions, please make a note on the slip or talk to your child's teacher as soon as possible. It is important that we know about any allergies your child may have.

Yours Sincerely,

Katie Charlton
Headteacher
